

Argos Risk and MeridianLink Welcome WSECU

Argos Risk and MeridianLink's partnership welcomes \$3 Billion WSECU to join other AR SurveillanceTM subscribers in Washington to manage and mitigate third-party financial risk

MINNEAPOLIS, MN – August 6, 2019 — Argos Risk[®], an industry leader of Third-Party Risk Intelligence (TPRI) solutions and their Affiliate partner, MeridianLink[®], are pleased to announce today the signing of WSECU as a new AR Surveillance subscriber. MeridianLink is a developer of the financial industry's first multi-channel loan and new account origination platform and has been a pioneer in providing innovative software solutions to financial institutions (FIs) for more than 20 years.

"We are very excited to have WSECU subscribe to Argos Risk's AR Surveillance. Their decision allows them to easily and effectively automate the processes of business performance and overall health, and mitigate credit risk," said Doug Glagola, VP of Enterprise Solutions for MeridianLink. He added, "Our partnership with Argos Risk provides sales demos and educational presentations on their easy-to-understand compliance and risk management solution; which ultimately extends clear and actionable business intelligence for our customers to act on."

Argos Risk provides an affordable web-based subscription service that helps companies proactively manage third-party risk intelligence and business viability risks associated with their thirdparty relationships; including vendors, ACH/RDC originators, and direct and indirect lending clients. Whereas MeridianLink's cutting-edge software is the most mature and time-tested loan origination platform available. Together, this partnership greatly enhances each others success in meeting the needs of their customers to maximize their ROI.

"We are very happy to see MeridianLink sign up their first AR Surveillance customer in Washington. With our presentation at their recent User Forum, we experienced a very powerful sense of community among their users. In addition, they have a strong client list and an ambitious plan to roll-out AR Surveillance to their customers," said Lori Frank, President and CEO, Argos Risk.

About Argos Risk

Argos Risk is a leading provider of Third-Party Risk Intelligence solutions. Formed in 2010, we are experts in Third-Party Risk Intelligence services to fulfill a need for timely and comprehensive risk mitigation knowledge. Innovative and affordable subscription services help companies manage the

risk associated with their third-party relationships; such as Vendor Management, ACH/RDC originators and lending clients – direct and indirect, and Supply Chain Management.
